AC Delco and Eagle Bowman of Bedford would like to thank all teams for braving the most annoying weather over the weekend, to participate in the Re-Opening Virtual National Nationals. We appreciate the effort that goes into arranging teams for such events and the dedication that club officials have shown over recent months to get ranges ready so that archers can participate in events such as this. We would like to congratulate all entrants, in particular those juniors and novices who stepped up and those that shot "up" categories to complete teams, plus those who shot bow styles other than their primary bow style. We hope that this is the start of something fun to continue in the future.

We Would like to thank ArcheryGB for allowing us to hi-jack their re-opening event for this virtual competition. Keep safe and keep shooting! Nikki & Ben (EBB) and Graham (AC Delco)
